Child Sexual Exploitation is a type of child abuse that happens when a child is performing, and/or another (or others) are performing on them, sexual activities sometimes in exchange for something including food, accommodation, drugs or substances, affection, money or gifts

Sexting
Sharing of sexual, naked or semi-naked images or videos of themselves or others or sending sexual messages. It is online abuse if a child or young person is pressured or coerced into creating or sending these types of images.

don't be scared to send me pics

you can trust me

i've never felt this close to someone before

Grooming
When an adult builds a relationship of trust and emotional connection with a child or young person for the purpose of manipulating, exploiting and abusing them
